## UI/UX Designer

📞 856-870-5507   @pi.reyes03@gmail.com   📍 Philadelphia, PA   www.pireyes.com

### EXPERIENCE

#### Product Design Intern

Skilbi

📅 08/2022 - 12/2022   📍 Remote

Skilbi is an early-stage ed-tech company focused on upskilling overlooked students as they navigate their career journey. This platform connects students to career exploration and skill-building opportunities.

- Worked in a team of 4 designers to provide design solutions for existing features within the platform
- Assisted in the design of a mentor onboarding experience
- Conducted extensive research of competitor platforms to assess particular strengths and weaknesses
- Collaborated with team members to redesign existing screens within the platform

#### Freelancer

Fiverr

📅 2022 - Ongoing   📍 Remote

Fiverr is a global online marketplace for freelance services. Fiverr's platform connects freelancers to people or businesses looking to hire.

- Collaborated with clients regarding best design solutions
- Redesigned 20 screens for mobile application
- Executed project deliverables following detailed guidelines and specific brief requirements

#### UI Design Student

CareerFoundry

📅 05/2022 - Ongoing   📍 Online

CareerFoundry is an online bootcamp that offers flexibly paced programs for career changes in web development, UX design, UI design, data analytics, digital marketing, and product management.

- Implemented design theory, principles, patterns, mediums, and wireframes to design 5 applications from scratch
- Incorporated basic principles of UX such as conducting user research, creating user personas, and drawing user flows
- Designed impactful case studies showing design processes

### EDUCATION

#### UI Design Program

CareerFoundry

📅 05/2022 - Ongoing

### STRENGTHS

#### Aesthetics

As a self-taught digital artist and photographer, I have always brought a creative flair to everything that I do.

#### Abstract Art

As an abstract artist, I am quite fond of thinking outside of the box.

#### Design

User Interface, User Experience, Product Design, Figma, and Adobe XD. My professional experiences have helped hone my skills as a designer and as a creative.

### CERTIFICATES

#### CareerFoundry

UI Immersion

#### Interaction Design Foundation (IxDF)

Become a UX Designer from Scratch
